Pay attention to the spacing of the profile pictures. It should have an equal value on all sides.

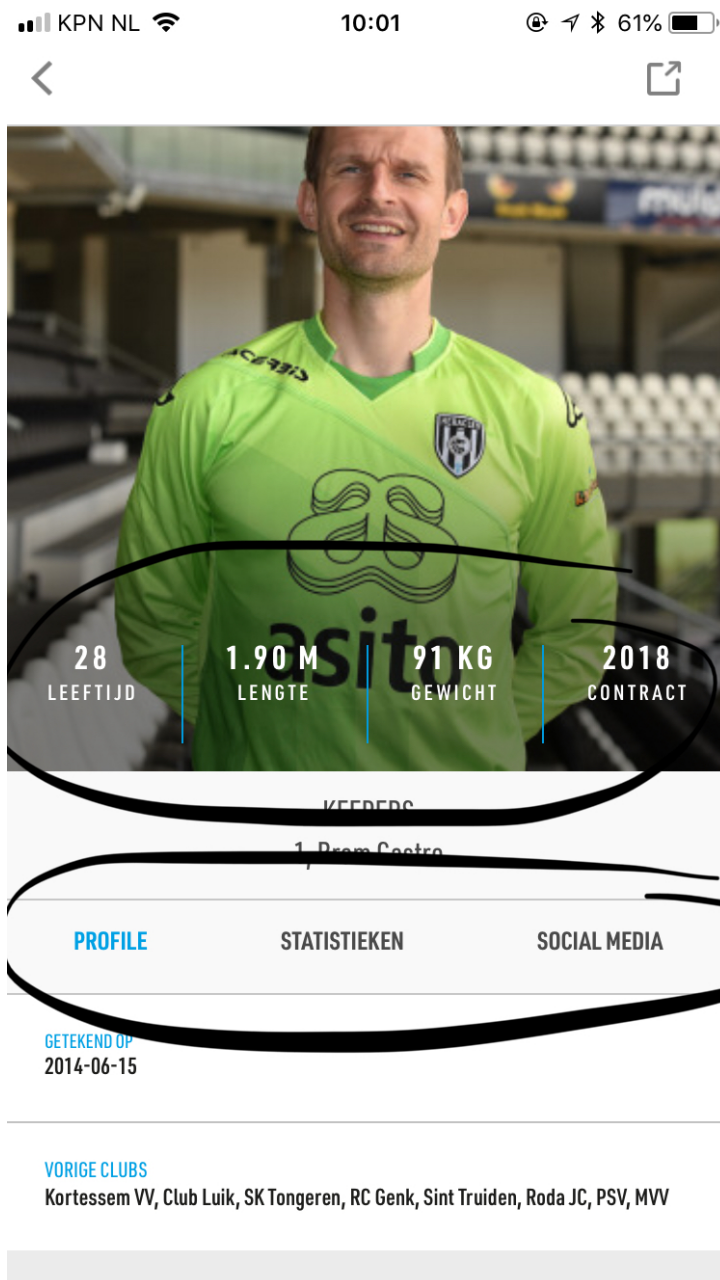

(red lines)

'Keepers' URW Din cond, Medium. Just like Notifications and further through the app. We have to keep a certain constituency when it comes to font-sizes and weights according to the sketch doc.

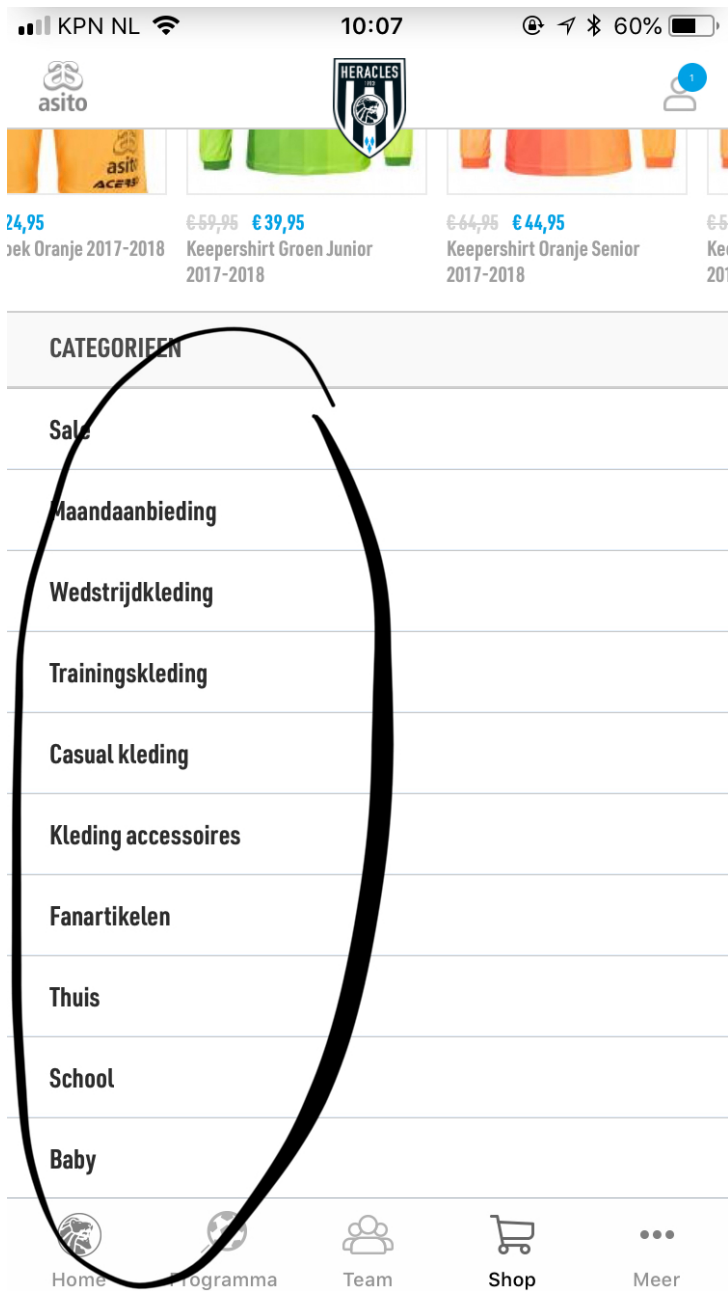

Profile: Blue lines are too high. Make sure that the content of the profile (leeftijd, lengte etc.) are centre aligned.

Tab bar titels are not centred horizontally.

Font weight looks a bit bold, should be URW DIN Cond - Demi.

Make sure that the spacing between the message blocks are equal in height.
